

(Hi Jeffrey, 6am here & 1<sup>st</sup> news I read. best, Frank )

Study: 655,000 Iraqis die because of war-AP

Tommy Malthus took an AK-47  
and gave the Moslems  
tickets to heaven.

When he saw this Christian  
arrangement, true rock  
the modern Church

is built on,  
he sold his Peter

Pan and Disney  
and rolled over

the 401-K  
to coffin stocks.

Took a breather then,  
helping Mose Allison  
write "Your Time Will Come."
